She Can Teach Your Child... but can she be your neighbor?

The people who need workforce housing in your neighborhood might not be who you think. The reality is that the people we all rely on — nurses, mechanics, and of course, teachers— can no longer afford to live in the communities where they work.

Learn about programs that can help keep our workforce local and strong, for the well-being of our families, communities and quality of life. Visit www.pbcgov.com/hcd and www.pbchousing.org.
