The information and services provided to your company by Business Development Board staff were supported through the financial support of our 400 member firms. We encourage your company to give our members the opportunity to bid on the products/services required for its expansion/relocation to Palm Beach County. Please check the list of products/services that your company will require. The Business Development Board will act as a conduit by receiving all packages of introduction and delivering them to your office within two weeks. We thank you for giving our members special consideration.
