We know that the bottom line for business is the bottom line.

Palm Beach County is an economic and innovation hub for businesses looking to relocate or expand here. Our continued economic growth, favorable business climate, growing consumer market, skilled workforce, supportive government entities, and strong asset base make us the best place to grow and expand your business’s long-term success.

Palm Beach County offers a supportive environment that allows virtually every business sector to flourish. The industries targeted by Palm Beach County and the Business Development Board (BDB), the county’s official public/private economic development organization, are green and continuous momentum. Industries including Aviation/Space/Engineering, Life Sciences, Business and Financial Services, Logistics/Distribution, Information Technology/Telecom, Manufacturing, Marine, and Corporate Headquarters find Palm Beach County a globally competitive business environment.

We know the challenges businesses face when relocating and expanding, and we take that challenge and meet it head on. Palm Beach County understands that speed-to-market is a top priority in a company’s decision to relocate or expand, and the BDB shortens project delivery times whenever possible. The BDB works closely with state and local governments to assist your company in expediting the planning and review process of site plans and building permits, and works closely with the commercial real estate community to better assist in your site selection process. In addition, Florida’s stable and highly favorable tax climate provides advantages that make a Florida location profitable for every type of business.

Tax advantages Florida has... • NO sales/use tax on co-generation of electricity • NO sales and use tax on goods manufactured or produced in Florida for export outside the state • NO sales tax on raw materials in final product for resale, including non-reusable containers or packaging • NO sales/use tax on co-generation of electricity • NO sales tax on purchases of manufacturing equipment

We are a gateway to delivering your business to the world. Our strategic location makes Palm Beach County a gateway to trade and commerce with the U.S., Canada, the Caribbean, Latin America, Europe, and Asia.

In Palm Beach County, we are: • 69 miles north of Miami • 144 miles southeast of Orlando • Centrally located within the South Florida tri-county metro area (Broward, Miami-Dade, and Palm Beach Counties) • One of the top 20 container ports in the U.S. supporting both commercial freight and passenger cruise ship industries • Home to Palm Beach International Airport just 2.5 miles from top resorts, pristine beaches, Palm Beach County Convention Center and Convention Center Hotel, and West Palm Beach’s thriving downtown district We know a motivated and educated workforce is key to meeting the challenges for growth.

Palm Beach County offers employers a large and talented pool of skilled workers. Our labor force is also more affordable compared to other competitive high-tech states, thanks to a favorable tax structure and a lower cost of living. In addition, Palm Beach County’s professionals are culturally and linguistically diverse, speaking 38 languages and providing additional competitive advantages to employers in the global marketplace.

We have six major institutions of higher learning offering everything from technical certifications to doctorate degrees.

The School District of Palm Beach County (SDPBC) is the eleventh-largest in the nation and the fifth-largest in the state of Florida with 185 schools, serving more than 183,000 students who speak 150 languages and dialects.
