RIBBON CUTTING CEREMONY

AUGUST 13, 2018

SAVE THE DATE

Join us as we celebrate the dedication of
The King's Academy's Boswell Science & Technology Center.

MONDAY, AUGUST 13, 2018 AT 9:30 AM

The ceremony will be followed by a behind-the-scenes tour and reception.

The Boswell Science & Technology Center will attract students to King's who aspire to cure disease, solve engineering problems, and provide technological solutions – allowing needed opportunities to discover God-given passions rooted in STEM pursuits.

THE BOSWELL CENTER WILL INCLUDE:

- 12,000 sq ft of Educational Space
- 1300 sq ft Smith Family Chemistry/Physics Lab
- 1000 sq ft Rodila Family Life Sciences Lab
- 1000 sq ft Elementary STEM Lab
- 1000 sq ft Physical Science Lab
- 1500 sq ft Programming/Robotics Lab
- 1800 sq ft Engineering Lab
- 4 Offices for TKA International Student Program

The King's Academy would like to thank alumni parents Dale and Cathy Hedrick of Hedrick Brothers Construction for their work on the construction of the Boswell Science & Technology Center. There are several TKA alumni who are currently employed by Hedrick Brothers Construction.
