Join us for an open conversation
about economic development in the
Glades region with our community,
students, staff and faculty to learn:

- Initiatives being implemented to continue the positive Glades school grades.
- After school enrichment programs that are coming to the Glades area.
- The economic development and marketing of Florida's Heartland including the Cities of Belle Glade, Pahokee, South Bay and Hendry County.

RSVP by following the link below and selecting **Economic Development**
